

Meeting Harper Lee
 People may be curious, but the author's public persona is just one side of her life.

The author of the Pulitzer Prize-winning novel *To Kill a Mockingbird* is a woman who has spent her life in the shadows of her work. She is a private person, and her public persona is just one side of her life. She is a woman who has spent her life in the shadows of her work. She is a private person, and her public persona is just one side of her life.
